Traffic in the Neighbourhood

Won't a new school increase the traffic on Linbrook Road?

We would like to share a few of our ideas that we've discussed with the administrators of St. Mildred's-Lightbourn School:

- Car pooling for staff and families
- Shared bussing with SMLS
- Crossing guards and traffic controllers
- Incentives for families who walk to school, partnering with Share The Road and Canada Walks

- Education for students and local children to encourage safe bicycling
- Staggered drop off and pick up times for SMLS and Linbrook families
